MEET QUENTIN...the 'quintessential' dog! This 4 yr old, Lhasa/Maltese-ish boy all fun and play! Quentin came from SEAACA, after being attacked by another dog at the shelter, who injured his eye. The shelter did a hack job of a grooming, and poor Quentin was a mess! His ears were inflamed with one of the worst ear infections our vet had ever seen! But...look at him now! His eye is all healed, his coat is gorgeous and he is a happy boy! He loves to play tug-o-war and chase his foster buddy around the yard! He is a jumper, a kisser, a player and has energy to spare. He can be a little fearful and timid at first, so we don't recommend kids. With a little training, a canine buddy and a lot of love and affection, Quentin will be your "QUENTIssential" buddy! He is great with other dogs but

would be happy as your one and only. He's a winner....and waiting for his forever home!!
