

Quizno

Breed: Lhasa Apso

Age: 6 yrs

Sex: Male

Weight: 15 lbs

HERE IS QUIZNO...and he is absolutely delicious. This handsome, gold/white, 15 lb, 6 yr old Lhasa Apso is perfection. Quizno is a lover. He was dumped in the shelter with three other Lhasa/Tzu mixes (see Nori) who were a mess. He is so well behaved that it is shocking that he came from a hoarder's home and was matted to the bone when he arrived at LHH. His coat looks beautiful, but boy was he matted ☹

Quizno could not be sweeter if he tried. He will sit down when you are walking him if you stop. On walks, he will just stop and pp in the middle of the sidewalk; same with #2! In a yard, he does his business on the grass. He does not mark! All this dog wants is to be loved, and loved a lot. He bonds almost immediately, and to almost everyone. He was love starved and deserves as much as you can give. We did learn that he had bladder stones and had surgery, so he will need to be on a special food for the rest of his life and will need to be checked to make sure he doesn't get them again...but other than that, he's healthy! If I could keep him, I would. He's great with other dogs, very laid back and just loves being part of a pack for companionship – or as your one and only. One thing he won't like is being left alone, so please work from home if he doesn't have a buddy. This special guy deserves a special home...and we're going to make sure he gets it!!
