THIS IS RAINEY….and she came to us on a rainey day in the hot August summer! This sweet, calm, 4-5 yr old, tan, 14 lb Shih Tzu Terrier (who doesn’t seem to shed) came from the SEAACA Shelter. There she sat, until we took her! She is very healthy, very easy going and still coming out of her shell! She is great with people and other dogs. If you are looking for a companion who could fit in almost any setting (except one where she would be left alone all day) – -with dogs, (probably) cats, kids over 8 yrs old, mature household…this is your girl. She is a little shy at first, but she is blossoming and will do wonderfully in a home full of love! We are learning more about her every day. Check back for updates!
