**Breed:** Shih Tzu X

**Age:** 3 yrs old

**Sex:** Female

**Weight:** 14 lbs

THIS IS RAVEN...a precocious, 3 yr old, black/tan, 14 lb Shih Tzu mix...with what, we haven't a clue! We received a call from the Hesperia Shelter asking us if we would take her; of course we said yes! Best part? There was nothing wrong with her! If you are looking for a sweet-as-sugar, extremely curious little maven...who loves to play, give big kisses...check out her surroundings from stem to stern (especially on walks). She is good on walks but it is like everything is new to her!! She is almost potty trained thru a dog door at her foster home (but no guarantees at yours!); she is very smart and wants to please. She does not like being left alone and will whine/cry when you leave, but she settles down. **MUST GO TO A HOME WITH ANOTHER PLAYFUL DOG!!!!** Besides being with you and her canine buddy...she

loves her squeaky toys and can play forever! Raven is a happy, special girl who we love and know wherever she goes – hopefully a family environment (kids over 8 yrs old okay) – she will be loved. Could that be with your family?
