

Reeba

Breed: Lhasa Apso

Age: 5-6 yrs

Sex: Female

Weight: 20 lbs

THIS IS REEBA...a zaftig, 20 lb, adorable, 5-6 yr old, tri colored, Lhasa Apso, who came from Riverside Shelter. There is no question she has had a litter or two, but never again. Reeba does not act like a middle aged dog...especially when she is playing with her toys! She is extremely food motivated (duh!) and very smart, but like most Lhasa, she knows what she wants when she wants it! She can be very independent, but we notice that she sleeps with her foster buddy, so we know she enjoys the company of other dogs. From what we can tell, she is potty trained...but we never guarantee at your house! When she barks to let you know something is awry, you get the message! Sometimes little miss Reeba is cuddly and sometimes on her own. When she knows you, she will give you kisses, but she is pretty busy and

likes to go and explore! This is a wonderful girl who will give you years of happiness..if you let her!
