

# Reenie

**Breed: Havanese X**

**Age: 5-6 yrs**

**Sex: Female**

**Weight: 14 lbs**

THIS IS REENIE...and it really is difficult to photograph a dark dog! Reenie is a very sweet and very human oriented, 5-6 year old, 14 lb, charcoal and black Havanese mix. She came from SEAACA in Downey, where there are many breeders, and it is obvious that little Miss Reenie has had a litter or two...but never again! Reenie was very calm when she arrived because she had kennel cough and had just been spayed. Now, she is showing personality! She loves to play fetch and go for walks on the beach! She loves her toys and will even take one of her stuffed animal toys to her bed like it is a puppy!! She gets very excited to see you, and loves to be your lap dog as well. She's a dog for all reasons!!! She gives kisses and will follow you around. She is a good eater...even sits while she is

eating! She seems to be potty trained, but we never guarantee. Reenie does not love being left alone, but she is fine a few hours at a time. She doesn't have any separation anxiety at all. If you work from home or are there a lot, and you don't have another dog, she would be fine. The ideal home for her would be one where she gets a lot of attention, where she can be walked and socialize with humans. That's all she wants...can you give her that? She is waiting for you!!
