

Reggie

Breed: Shih Tzu

Age: 8 yrs

Sex: Male

Weight: 12 lbs

THIS IS REGGIE...Reginald to those who know and love him! This gold/white, 8 yrs young, 12 lb, happy Shih Tzu just wants to be loved. He is affectionate, but isn't into washing your face with kisses! He is independent, but loves being with you. He loves to lounge around and just "be cool" and while he will play with other dogs, he doesn't need another dog to keep him happy...he just needs you! He has the cutest little bark and will let you hear it when you first leave – but he settles down quickly. Reggie's eyes are getting older, but he can still see and we've been treating them with drops. He's doing wonderfully and just needs a calm, loving home to spend the next eight years! Might that be with you? He's ready, willing and able!

Good with other dogs, kids, everyone! Probably better in a

mature home than one with young kids, as he is more chill than thrill!
