Rocko

Breed: Lhasa Apso

Age: 4 yrs

Sex: Male

Weight: 17 lbs

THIS IS ROCKO…and rock’n’roll Rocky is a superstar!! This gorgeous, 17 lb, 4 yr old, tan/white Lhasa Apso is the real deal! Unfortunately, he hasn’t yet found a family that had the

time or appreciation to get this wonderful boy training or give him the attention he needs. He is very loving, kissy, playful and happy under the right circumstances!

Rocko requires a little patience, time, and training. When you are walking him, he likes to run circles around you, but we are working on "walk straight" and he responds. He is very smart and wants to please. He wants to explore the world, meet and greet everyone on the street and say hello! Rocko is not aggressive, but he can be snippy with new people if they don't give him enough time to warm up. He needs pet parents who understand the breed and will work on his human socialization. Once he feels comfortable with you (just give him a few days to settle in and he's there!), he's the most loyal companion you could ask for!

The best home for Rocko would be one where there is a yard, so that he can exercise and play with you! Because kids can be frenetic, we think he'd be better off without kids. His vocal manners are pretty good, but he does bark to alert! He's been doing well with potty training in his foster home, but no guarantees at your house!

Does handsome, sweet Rocko sound like a pup you could "rock'n'roll" with?
