

Rosalie

Breed: Shih Tzu mix

Age: 6 yrs

Sex: Female

Weight: 7 lbs

THIS IS ROSALIE...and this little 7 lb, 6 yr old, black and white Shih Tzu mix has had a rough time of it. She was adopted to a family and returned because she was too shy ☹️ Then, she was adopted again and returned because she got snippy when she was being handled and something hurt her. Rosalie just needs lots of love, lots of patience, a mommy/daddy that will go slow with her and give her the time to acclimate and trust. Rosalie would be perfect in a mature home, or a household without kids. She isn't aggressive, but she is fearful and this would not be a dog for children. Do you think you could open your heart and home for Rosalie?
