MEET SABRINA...a precious, 9 lb, 3 yr old, white Poodle mix.

When she came to adoptions with her pal, Yazmin, we thought that they should go together. They love each other but seem to be in competition. Sabrina needs a little time to get to know the other dogs in the house...we think perhaps she was picked on in the past and protects herself. However, she is not aggressive at all and really should go to a home with a submissive (like her) dog...and she is completely non-aggressive towards people. She might hesitate with other dogs at times because she is not sure if they are going to be nice or naughty!

She is a lovebug and has all the qualities of a happy puppy! Whether you're returning from a quick errand or coming home from work, Sabrina never fails to welcome you back with the

utmost enthusiasm. She lives in the moment and doesn't care how you look after a long day of work, she's just overjoyed to see her humans. She loves to cuddle and get kisses. She loves belly rubs. She doesn't know much about toys but is curious about them. She jumps around with the other fosters and kisses them but only after she has gotten to know them for about 3 weeks. She walks gently on a leash. Her favorite thing is to snuggle and watch TV :)....is there room in your family for Sabrina?
