MEET SEBASTIAN...who is lovingly known as "huddle" – a combination of hug and cuddle, because that's what he is best at! This 9 yr old, white/tan, 24 lb boy has the most beautiful, thick eyelashes you have ever seen, to match his bedroom brown eyes! He was adopted to a home with no kids 4 years ago, but the parents had a baby two years later, now she is 2 yrs old – and they never fully trained him to be with kids...they just assumed he would always be wonderful. Poor Sebastian made a couple of mistakes recently and he was out the door. This has made us very sad...but Sebastian is a survivor and a really good boy. The problems were NOT his fault. He used to love other dogs and

kids – but as he has aged, he seems to be happier with his people as their one and only. Though he is a big boy, he is a gentle spirit. He is a confident dog who will bark at another dog who approaches him to protect you! Sebastian is potty trained, but no guarantees at your house! Nowadays he is a very mellow, calm fellow who would just like to hang out with you and be your guy! He should have a yard and humans around. My Lhasa lived to be 19 1/2! He has a lot of life left in him!! Does your home sound like it could be good for him?
