THIS IS SIR ALEXANDER “**CADBURY**“…… You’ve heard of the Cadbury bunny? Well Sir Alexander Cadbury (Caddie for short) is the white, 7.6 lb, 4-5 yr old, Cadbury Shih Tzu!! This little boy is a character…just look at that face!! It tells you everything you need to know about him. He is a curious, playful, happy go lucky, playful, comedian….just waiting to perform for you! He is a bit of an escape artist, so he needs a safe and secure home! He is healthy…and even though he is middle aged, he looks and acts like a puppy! Caddie can be a little shy at first, as he likely was not cared for in his former life. He was so matted, the shelter had to shave him. We’re waiting for his hair to grow back so we can give him a proper makeover! Nonetheless, he is as cute as he could possibly be! He would be wonderful in a home with children, over 8 yrs old please; another dog would be a plus and a doting home that would welcome him as a family member. Don’t be surprised if he is afraid of other dogs at first, it just takes him time to know that the world is not a scary place! The Cadbury bunny has nothing on Caddie….he is as sweet as he can be and wants to share that “sugah” with you!!
