

# Taylor “TayTay”

**Breed:** Lhasa Apso

**Age:** 7 yrs old

**Sex:** Female

**Weight:** 18 lbs

HERE'S TAYLOR....best known as “TayTay” by her friends and family! This little 7 yr old, tri colored, 18 lbs (of love), Lhasa Apso has been given up by her family because they are moving back to Thailand and don't want her to have to travel in cargo for 12 hours. They are devastated, but unfortunately, have made the tough decision to rehome her. We will do right by this darling girl! We have been told she is a loving, sweet girl and would be great in any household. She does not have any issues but she might be a bit shy with other dogs at first.

Like most Lhasa, she is wary of strangers but warms up quickly. She is fiercely loyal, loving and special. She knows commands, tricks and has a lot of character. She is a kisser, she loves to play with toys, good on her own but would love to be with her person, too. She can be independent – but that is because she had to in her former home. She is very gentle, kind and smart. Just what you want in a Lhasa Apso! Totally non aggressive! My Lhasa Apso lived to be 19.5 yrs old! They live long lives! She is just growing into maturity...the best years of her life are ahead of her!
