THIS IS THEO….and he is not only a looker, he is the most gentle, loving boy ever! Theo is a white (with silver tips), 15 lb, 2-3 yr old Lhasa boy, who is kissy, happy, and reserved. He will bark to alert when someone's at the door, but is otherwise a quiet little guy. We think he could be your one and only pup, as long as someone's home most of the day to keep him company. He would prefer to sleep on the bed next to his humans and can easily jump up there on his own! He seems to be potty trained, but we never guarantee – but he squats and doesn't lift his leg! Theo shows his playful side when he's in a yard off-leash – perhaps you have one he could explore? He would be great in a family who will love him through his transition to his new home….a family who will watch him blossom into a wonderful,

faithful companion. Might that be you?
