THIS IS URSULA….who was rescued out of the streets, in the rain, by a homeless couple living in their car….but they could not keep her, so they called us. Ursula is a golden, 22 lb (she has now lost 3 lbs!), 6 yr old Lhasa mix, and we don't know how long she had been out there. She had a horrible ear infection and was extremely protective of herself….but the better she feels, the more affectionate she has become. Once she gets to know you, she is very playful and loves to wrestle. Ursula is also great with other dogs, but she doesn't need another dog to be happy. She just needs you!! She needs to lose a few lbs….it's obvious that she hasn't eaten "well" – just a lot! A patient home, with loving family looking for a calm dog who needs to be loved. When you save Ursula, you she'll save you, too!
