

Vinny

Breed: Lhasa Mix

Age: 2-3 yrs

Sex: Male

Weight: 16 lbs

THIS IS VINNY...and he is something!! This gray/white, 16 lb, 4 yr old Lhasa mix (see below) was shaved to the bone at Riverside Shelter. They didn't even give us a chance to groom him! Look at the picture below and you will see what he will look

like...well, until he is groomed! Big difference!

Vinny is a VERY busy boy! If you are looking for an active, ACTIVE, dog, who can go running, hiking and keep up with you...this is your guy! Vinny needs to be in a home where he

gets exercised to get some of his energy out. When he settles down, he is such a love. His favorite thing is to get his belly rubbed and you will think he is a different dog! He loves to explore outside and is a great, very playful dog. He definitely needs training, and we are working on walking on a leash. You can see how he is interested in dogs of all kinds on our walks...and he would be great with a bigger dog! He's like an athlete...very strong body and very healthy! A yard is an absolute for this boy! Kids over 8 yrs old welcomed! Remember, hair grows back!! Are you looking for a partner to get you into shape? He is!!
