

Winni

Breed: Havanese

Age: 1.5-2 yrs

Sex: Female

Weight: 13.6 lbs

THIS IS WINNI...a spirited, 1-2 yr old, 13.6 lb, tanish/reddish/brownish, beautiful Havanese girl. Winni came from San Bernardino, but they had already shaved her before she came to us, so we're not certain what color she is! Her ears and tail are stunning...so we believe she will be even cuter when her hair grows back. She has light eyes that look at you with a yearning to be loved! Winni is very smart and is learning potty training and how to walk on a leash. She gets very excited when she sees you and does jump and want to play. She has taken all the toys out of the toy box and amuses herself, but tries to play with her foster buddy, who isn't all that interested! The best home for Winni will be one where there is another dog, human(s) – including kids over 8 yrs old – who want to engage

with her. She is kissy and cuddly and wants to be loved. If you have a place in your home and heart...could you love this angel?
