

Yazmin

Breed: Shih Tzu Maltese

Age: 4 yrs

Sex: Male

Weight: 12 lbs

YAZMIN has lived the life of a captured pup, forced to pop out puppies for her horrible owners... but no longer! This precious, 12 lb, cream/tan, 4 yr old Shih Tzu Maltese is so happy to be free. She was dumped in the shelter with two other breeders...one still full of milk (Sabrina) and a male, who was adopted before we could get him. Their condition was deplorable; doubtful they were ever groomed. Yazmin is a very loving girl. She wants to be with you and show you how appreciative she is. We are not quite sure if she needs to go with her friend, Sabrina, but if you are looking for two dogs, we'd love for them to go as a pair. They both **MUST** go to a home where there is another dog for them to bond with.

Sabrina, believe it or not, is actually afraid of the squeakers in toys! She loves to play...but not with speakers! She seems to be pp pad trained and is good about going out...so she will be pretty easy to train. She's a good eater, a good disposition and temperament and would be fine around kids over 8 yrs old.

She can be a tiny bit wary of men at first, but she warms up to everyone quickly. She is really very funny at eating time...she will bark and tell you to "speed it up!!" This is a wonderful girl to love and enjoy...please do not submit an application if you don't have another dog ☐
