

Zaki

Breed: Lhasa/Bichon mix (?)

Age: 4 yrs

Sex: Male

Weight: 14 lbs

THIS IS ZAKI – an adorable 4-year-old, 14-lb, cream Lhasa/Bichon mix (our best guess). He probably has a little dash of this and a little dash of that, but whatever he is, he sure is cute! He doesn't shed, and his coat is somewhat coarse, but not wiry. He has beautiful eyes and a great smile. This poor guy was eaten alive by fleas and had flea-allergy dermatitis, but now that he's in our care, he's on the mend!

Zaki is a bit shy, but once he gets to know you, he's very affectionate and loving. He likes to smooch his body against yours and rest next to you on the couch. He can be independent as well. This smart pup quickly learned how to use the doggy door at his foster home and takes himself out to go potty, but no guarantees at your house. Zaki is looking for his

forever snuggle buddy. Could that be you?
